

Denise Taylor, award winning careers coach and job search strategist

Amazing People is an organisation which specialises in career counselling, guidance and coaching for individuals, and career management, recruitment and assessments for organisations. It is personally directed by **Denise Taylor**, Chartered Occupational Psychologist.

With a combination of educational credentials and vast industry expertise, Denise is renowned for helping clients get results. She has specialised in career development for over 20 years, and has published extensively in this area. Her specialist knowledge is backed up with Diplomas in coaching and counselling and Masters degrees in occupational psychology (focused on career development) and business administration (MBA). She is also a Registered Guidance Practitioner.

Denise has **successfully worked with well over 1,000 clients on a one to one basis, who choose her for both the depth and breadth of her knowledge** and her ability to move people on from uncertainty to decisions. She has also worked with literally thousands of people through work with other companies – careers counsellor, outplacement coach, personal counsellor, assessment centre assessor, interviewer and psychometric feedback. Throughout her career her work has focused on supporting people to achieve career goals and indeed to define and understand who they are and what they want to be, acting as career counsellor, guide, mentor and coach.

Working as an assessor in industry, for companies as diverse as Christian Aid, Civil Service Fast Stream and Vodafone ensures Denise can effectively advise and support people in their job search campaign.

Denise has published **9 eBooks**: Create a CV; Get a system; Interviews – a helping hand; Traditional job search; Accessing the hidden job market; Networking; Informational Interviews; Work environment; Phone Interview; 10 steps to a job you love and **2 eProgrammes** - Career Discovery Programme and Job Search Support eProgramme. She is also the author of **17th Century Wedding Customs**, published by Stuart Press.

Articles are featured on a number of online sites including HR Zone and she has contributed to articles featured in Prospects Graduate and Top Santé Magazine. She has also been interviewed on BBC Radio 4 - Nice Work, and Radio Gloucestershire.

Denise has spoken at a number of conferences and professional events including the Open University Business School at Bath University Business School and at the Association for Counselling at Work.

Denise is highly qualified in the use of assessments and is trained to use The Highlands Ability Battery, Myers Briggs Type Indicator (advanced practitioner), Strong Interest Inventory, OPQ, 16PF, Saville Consulting Wave and many more.
